Talk About It With Your Friends and Family

1. What was the meaning of Jesus entering Jerusalem amidst cries of "Hosanna!" (11:1-10)?
2. What was up with Jesus and the Fig tree (12-14)?
3. What was Jesus so upset about in the temple (15-17)?
4. Why did the priests and scribes have it out for Jesus (18)?
5. What was the result of Jesus' first encounter with the fig tree and how might this have informed the disciples as they would think of it in their own ministries to come (20-21)?
6. What do you glean about the importance of faith and prayer (22-25)?
7. How does the context of this teaching (Jesus on task in Jerusalem carrying out God's plan of restoration) help us properly understand it?
8. What must we bring to any one part of the Bible to properly understand it?

Who Jesus Is & Why He Matters

"Whenever you stand praying, forgive, if you have anything against anyone, so that your Father who is in heaven will also forgive you your transgressions."

Mark 11:25 (NASB)
