1. What is the Abomination of Desolation?
2. Why is it difficult to answer that question?
3. What should we do when there are many different understandings of a Bible passage?
4. What did Jesus say His disciples were to do when they saw the abomination of desolation standing...?
5. How would the knowledge of God's shortening of the tribulation bring hope?
6. What is the danger Jesus warns of in 21-23; and how are Jesus disciples to safeguard against this danger?
7. How are we prepared for what lies ahead of us by Jesus' instruction?
