

TRANSFORMATION CARDS

The handout you get that goes with the message each week is called a *Transformation Card*. We call it this because it is our prayer that you engage with the message from God's word and that the Holy Spirit apply it to your heart in such a way that you are transformed and become just like Christ.

Sunday is a point of departure not an end in itself for this transformation process. We encourage you to fill in the card during service, then fold it and carry it with you all week. Memorize the key verse on the front cover, read the referenced passages during the week as a devotional, use the questions provided as points of departure for discussion in your Community Groups, and record the prayer requests the Lord brings to your attention in the prayer section. If you do this you will be able to own and apply God's word in a rich and rewarding way.

We invite you to use this tool that is designed to help people like you and me become people like Jesus Christ.
